

JACOB'S RIDE FOR HEARING

MEET & GREET BEFORE THE GAME

Be the lucky guest to throw out the "First Pitch" (draw at the Meet & Greet). Special exhibitor area with several hearing loss professionals.

ABOUT JACOB

Jacob Landis was born with normal hearing, but slowly went deaf between the ages of two and 10. In 1999, Jacob received a Cochlear Implant and rejoined the hearing world.

Since 2013, Jacob has ridden his bicycle across the country three times, totalling over 15,000 miles to raise awareness and money for cochlear implants and implant surgeries.
